Re: HME Compliance

Dear Sirs,

From time to time, we receive enquiries from customers regarding our RBM Solutions. Our exclusive Suppliers have provided clear statements that:

RBM HoldBlock™, RBM HoldWash-HD™, RBM ShipWash and RBM BilgeCoat are classified as not harmful to the marine environment, with reference to “MEPC 63/23/Add.1, Annex 24 RESOLUTION MEPC.219(63)”.

This information is provided in good faith to foster a good relationship with our customers. We trust that you will benefit from this information to ensure the safe and environmentally responsible use, handling and application of the products. You are reminded of your obligation to conduct your own risk assessments and analysis to ensure meeting the legal requirements for further use and application of this product.

Yours truly,

John Roberts,
President
